WORK & VOLUNTEER EXPERIENCE

3/2018 - 5/2018   **PARLO AI, Sunnyvale, CA**
Parlo is an intelligent enterprise bot platform that builds and deploys smarter chatbots powered by AI and natural language understanding(NLU)
Intern
- Wrote manual and automated test cases for chatbots in Java
- Helped create and personalize chabots for clients in Java
- Updated and maintained chatbots in REST
- On May 2018 Parlo was acquired by ServiceNow. I transitioned my work to the new team in ServiceNow

6/2015 - 8/2015   **UNIVERSITY OF OREGON, Eugene, OR**
Research Assistant, Psychology Department
- Carried out a sanctioned study, under supervision of Dr. Mehta. The purpose of the study was to observe the effects of meditation on pain threshold. Set up materials each day and interacted with participants to clarify questions and ensure compliance with established guidelines.

8/2011 - 5/2012   **HINDU COMMUNITY CENTER, Livermore, CA**
Front Desk Assistant
Volunteer for Blood Donation Drive and Health Fair

8/2010 - 5/2012   **AMADOR VALLEY HIGH SCHOOL TEACH CLUB, Pleasanton, CA**
Volunteer Tutor for Math, Science, and History

6/2010 - 8/2010   **MITHRA, Chennai, India**
An institution for mentally & physically challenged children
Volunteer Tutor & Mentor

ADDITIONAL INFORMATION

- Nominated and participated in the National Youth Leadership Forum during summer 2011.
- Completed Tri-Valley Regional Occupational Program in Sports Medicine/Athletic Trainer in 2011-2012.
